

## PDF INSTRUCTIONS FOR AUTHORS

### Before Creating a PDF

- The footer of each page should be left empty. The copyright clearance code is automatically inserted by IES Submit system. After the submission of the final paper, it is necessary to complete the copyright transfer. The IEEE Copyright button appears on the manuscript submission confirmation page. If the form has to be signed by another author, it can be also accessed later from the author menu.
- Proofread your source document thoroughly to confirm that it will require no revision.
